A note from the Head

Dear Parents / Carers

It was lovely to see some of our Year 6 children at Winkleigh this week, they were invited over to spend some time with Winkleigh Year 6's in preparation for our London residential.

With regards to London, a final letter will go out the beginning of next week detailing the key reminder information. We are very much looking forward to the trip, it is always such a great experience for the children.

Mrs Godly is currently absent from school, we are covering this with staff members across the federation. We will keep you updated.

Thank you to Mrs Davis and staff for preparing the Father's Day breakfast. it was lovely to see so many people attending, and we hope you enjoyed it!

Have a lovely weekend.

Mrs V Fenemore : Executive Headteacher

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Preschool - Mrs Stapley

This week we have discussed planting and growing. This has included creating 3d pictures of flowers using different resources. The children have enjoyed playing and exploring outside despite dodging a few rain showers.

In maths we have looked at recognising numbers and adding the correct quantity to match the numeral.

We have also enjoyed lots of books about planting and growing including *'The Tiny seed'* by Eric Carle.

Below is a song we have been singing.

Have a wonderful weekend.

The Preschool Team

Little Sunflower song (To the tune of Frere Jacques)

Little Sunflower, Little Sunflower,

Tall you grow, tall you grow.

Yellow petal flower, yellow petal flower.

More seeds to sow, more seeds to sow.

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1 - Mrs Betts

In drawing club, Reception have been creating their own adventure stories based on the animation series Peppa Pig and the Father's Day episode. The children have thought hard about their Dad's and what makes them special. They have drawn and written about a special day out with their Dad's.

In Class 1 the children have been learning about information using the book '*Hidden Ocean*' by Libby Waldron as a model text. They have been creating expanded noun phrases to describe their sea creatures and using pronouns to create flow in their writing.

The focus in maths for Reception this week has been investigating sharing and making sure that we are being fair and equal. In Year 1, the children have been finishing off their unit on Place Value within 100. In Year 2, we have been problem solving and investigating number.

In ICT, class one have been learning about programming using Scratch Junior. They learnt how to choose backgrounds, sprites and have used algorithms to move their sprites to different areas. Even making it look like the characters are moving towards the front of the screen by increasing their sizes.

In PE, the children have been focussing on movement and developing their spatial awareness.

In history, the children have been learning about food, and in particular, sweet treats and how they have changed through the years. ***I wonder what your favourite foods were when you were younger, were they the same as your parents, or grandparents!***

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2 - Mrs Godly

Years 3 and 4 started the week with some exciting work in science and looking in more detail at the features of a flower, creating some beautiful illustrations of the flowers they found around the school. They also took some time to check on their ongoing experiment (looking at what plants need to survive) and there have been some interesting findings so far!

With many of the year 6s out preparing for London the year 5s took on new leadership roles in PE, planning and testing some of the races for sports day. They are looking forward to everyone giving them a go in a couple of weeks.

In ICT this week, all year groups had the opportunity to challenge and enhance their coding skills, using Scratch for the lower key stage children and with the micro:bit equipment and program for the upper key stages.

Class 2 have continued to work hard in their English sequence, where they have created some fantastic bookmarks and information pages, inspired by the format of their book 'Ripley's Mighty Machines, Believe it or not!' They took time to research their animal and take notes on some of the important facts and information that would be needed for their work.

Well done to all of class 2 this week.

Want to make a difference in your community and to the educational experience of local children?

The Woodland Federation - comprising Kings Nympton and Winkleigh Primary School - is looking to recruit enthusiastic and committed Governors as volunteers who will make a vital contribution to the success of the schools.

School Governors have three key roles;

- Governors ensure clarity of vision, ethos and strategic direction
- Governors hold the Headteacher to account for the performance of the school and the effective and efficient performance management of staff
- Governors oversee the financial performance of the school

You do not need to be an expert in education and we would be delighted to hear from anyone who;

- Is interested in children's education and the performance of schools
- Has the time and the energy for the role
- Has an enquiring mind and the confidence to ask questions and debate issues that affect the schools
- Can consider matters objectively and make informed judgements

All Governors must have a Disclosure & Barring Service (DBS) checks. Training will be provided. To find out more, please get in touch for an informal chat by contacting the Clerk to governors:
clerk@winkleigh.devon.sch.uk

SPRING/SUMMER MENU

| Week One | | | | | |
|--------------------|--|--|--|---|---|
| | Monday | Tuesday | Wednesday | Thursday | Friday |

Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit <https://qrco.de/minfoc>.

Are you entitled?

Families with children in Key Stage 1 who are eligible are encouraged to apply as the funding is in addition to Universal Infant Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the following website:

<https://www.gov.uk/apply-free-school-meals>

or call the Education Helpline on 0345 155 1019.

If eligible, please send a screenshot of your confirmation to admin@kingsnympton.devon.sch.uk
